

The Coaching Attitude: Think like a Coach and Improve Your Leadership Skills

Have a bigger impact on your client, employee and children by learning how to think like a coach! In this book you will get to know the attitude of a great coach, the way they think and how to get up on their level. In this e-book, B. Lawrence will take you on a journey and show you what great coaching looks like. We look at topics such as obstacles and barriers when it comes to coaching. We show you how to produce great results in the work with a client. We teach techniques how to build a better relationship with your client and how to unlock both your and your clients potential! In this book, you will learn; How to think like a coach How to become a better coach How to use your mind in a coaching session How to use your god-given skills like empathy, rationalization and problem-solving in a coaching session How to use leadership in a coaching session and inspire it in your client A lot more... Find out how to connect better with your client, cross difficult bridges and conquer challenges as a team, achieve great results and elevate you from the masses of coaches that follow the script but do fail on how to think. Get this e-book today for only \$0.99, thats probably less than your local newspaper! Have you ever needed a little something more to give you an edge in the competitive world of taking the lead? This book perfectly breaks down how to Coach and how to look at a situation differently. I found the lessons in this book to be quite simple to follow and highly effective. If you're looking for an extra boost to help earn your respect from prospective and current employees-- this is your go-to book. I'd highly recommend it's easy to follow pages for anyone. - Jessica Ozment See the benefits for yourself and read the book!
