

## Making the Right Decision: Ethics for Managers

Provides the reader with a unique decision-making tool by showing how ethics play an integral part of all business decisions. It offers excellent advice on how to apply ethics in all of your everyday decisions whether they be large or small. Features an illustrative case study of one company's decision making process and the ethical considerations behind their choices. Contains business suggestions for integrating ethics into everyday management--from establishing a corporate code to implementing an in-house ethics training program.
