

Lace & Leather

Vanessa Dawn is back with her highly anticipated second collection of poetry. In this edition Vanessa Dawn talks about what most girls think about but mentions what most are afraid to say. With the sensitivity of Lace and the harshness of Leather, Vanessa Dawn enlightens her readers with a fresh point of view that will be discussed among many of today's women. In Lace & Leather, Vanessa Dawn proves why she is an innovative poet with a voice that's here to stay.
