

The Wizards Legacy: A Tale of Real Magic

Looking back on a series of strange events, Craig Karges reveals how his path to success as an entertainer was not dictated by chance, but rather by an extraordinary plan conjured up years ago by his enigmatic uncle. The Wizards Legacy is truly an extraordinary book. It is a work of inspirational fiction based on the life of Alain Doc DeLyle, clairvoyant, mystic, hypnotist, wizard, charlatan: he was known by all these titles to his admirers and detractors. The Wizards Legacy is the story of Doc and of the summer a thirteen-year-old Craig Karges spent with him as an apprentice. Secrets are revealed, knowledge is imparted and a fascinating story unfolds as you are welcomed into the world of a true wizard!
