

How to Talk to a Food Freak (A Hoagy Wilson How Do Guide TM)

Many of us are faced with the challenge of having friends, family, and co-workers who are Food Freaks. This guide is intended to assist those of us who have struggled to find common ground, and to learn how to communicate in a way that is meaningful to all involved. As with any Hoagy Wilson How Do Guide, we take an informed, smart, at times light-hearted and humorous approach that is down-to-earth and practical.
