

# Live Abundantly!: 50 Business Lessons from the Bible

Do centuries old lessons of the Bible have a place in our twenty-first Century economy? Can ancient truths guide business to greater profits today? Can the same Bible that guided primitive goat herders also guide a mega corporation executive? Yes! Yes! and Yes! The Bible belongs to the gritty world of business. Hiring and firing, competitors and partners, greedy governments and needy neighbors---all that and more is in those ancient and ageless pages. Six days a week we are instructed to work to provide for the needs of family and society. God cares about our work so much He provided us with a written manual to guide us through difficult times. The Bible teaches man to live with abundance. With humor and compassion, Fran reflects on fifty of the Biblical business lessons she discovered while seeking help. Whether a business owner, a manager, or just starting to find your niche in the working world, these Biblical insights will help you re-discover the worlds most practical business guide, The Holy Bible.
