

A Texas Gals Journey to the Top: The Best Business Advice & Lessons Ive had to LEARN in order to EARN!

This book was designed as a motivational piece for business owners, entrepreneurs, and risk-takers. It is a handy book to keep on your desk to remind you of little steps to take in your business and basic business advice that we all think of sometime but dont implement. This nicely written book of guidance will do just that...point you in the right direction, change your attitude, and remind you success only comes after you have failed time and time again. If you dont fail then you are definitely not trying. Take heart and do what you love.
