

## Made in France: Cross-Stitch Samplers

After rifling through her cupboards and rummaging through her drawers, Marjorie Massey has discovered yet more of her charming cross-stitch patterns which she shares with us in *Made in France: Cross-Stitch Samplers*. In alternating blues and reds, Massey's designs are timeless and modest. Follow the simple instructions for over 30 patterns to add flair to your homewares and gifts. Everything can be embroidered, from cushion covers to linen bags, aprons to handkerchiefs and from teatowels to blankets. Massey's samplers help to add a personal and creative touch to the everyday. All you need to do is thread the needle, find a comfortable spot and stitch to your hearts content. This title offers over 30 original cross-stitch patterns, with 8 large pull-out patterns held in a handy pocket at the front of the book. It includes simple instructions, patterns and photos of each and every project. Readers can update accessories they already own, making these projects very economical.
