

How Craigslist Buyers Can Prosper From Their Best Ideas: In Any Economy!

This book is dedicated to Craigslist buyers who may have not realized the best way to make money is by using the power of their minds and imagination. Every day we come up with ideas of how to do things better or have a fresh new idea for a product or service but may not know what the process is to get it to market. In this eBook I have explained step by step the process I used to create a new product for my industry, from Idea generation, product development, finding customers, to sales, manufacturing or licensing the product to another company and taking a commission check each month. allowing you to do the same thing over and over again. Now its your turn. Grab this while you can and then...go out and have the time of your life!
