

How to Manage Your Boss

With the help of this invaluable book, you can learn the secrets of effective communication. You can learn how to manage the person who manages you. And it will make a difference -- a Big difference. The key to improving your work life is not in your job itself but in your relationship with your boss. Employers and employees have a long history of creating patterns of communication (or non-communication, as the case so often is) that leave little room for innovation... or enthusiasm. Christopher Hegarty, a management consultant to four hundred of the Fortune 500 companies, offers you proven strategies for evaluating yourself, your boss, and your job in a way that is calculated to dramatically improve your work life. You'll Discover: --how to look good by finding solutions-- how to develop strengths to compensate for your boss's weaknesses-- how to significantly increase your productivity, and much more. Now When You Put More Into Your Job, You'll Get More Out Of It!
