

Marilyn Price & friends present the alphabet from alef to tav: A Hebrew reading readiness adventure

In this fanciful Hebrew pre-primer for second grade students, renowned puppeteer Marilyn Price introduces the letter of the week with clever finger and hand puppets made from everyday household objects (such as a het made out of a hallah board and a kitchen-sponge yud). Each lesson begins with a vibrant color photograph of a letter puppet that children can easily recreate at home with their parents. Engaging, age-appropriate exercises then help students review ALEF Curriculum letters and vocabulary, drill letter discrimination and practice writing the new letter. And--for the first time ever in a Hebrew pre-primer--students are introduced to vowels and the non-initial variation of letters such as, khaf, feh and vet.
