101 super-quick and ultra-easy recipes for each of the four seasons totaling a whopping 404 recipes from award-winning cookbook author and popular New York Times columnist Mark Bittman. A celebrated author with a huge following: The author of the perennial bestseller *How to Cook Everything*, Mark Bittman is known across the country as *The Minimalist*. His more than two million readers eagerly follow his weekly recipes and accompanying instructional online videos from *The New York Times*. His popular thirteen-part PBS series was named the Best National Cooking Series of 2005 by the prestigious James Beard Foundation. An easy, breezy read for busy cooks: *404 Express* gives readers 101 quick recipes for each season, all of which can be prepared in ten minutes or less. For people who like to eat well without the fuss, Mark Bittman offers his trademark pared-down elegance and contemporary style. Like his *New York Times* column, each recipe is presented with just a sentence or two and requires but a few ingredients.
