

Millennium

In the year 2000, the end of the world the anticipated Millennium Event was avoided thanks to the efforts of Frank Black and FBI agents Fox Mulder and Dana Scully. Or was it? Franks psychic gifts have been showing him that evil has continued to grow unabated in the world, and hes trying his best to ignore it. But soon the resurgence of the Millennium Group and their quest to find Franks daughter, Jordan, will pull him into the fray once again.
