

{Needlepoint} a Smidgen of Alma Lynne: Coastal Motifs

Dear Friends, For most of my life, I've been privileged to live next to the ocean. Those of you who have visited Myrtle Beach, S.C. know of its beautiful beach, hundred of restaurants and vast selection of over 100 golf courses. (Can you tell I once worked for the Chamber of Commerce?) Anyway, these designs came quite naturally to me and are offered to you as an expression of my love for the seashore. Enjoy! Alma Lynne
