

The Garden Guy: Seasonal Guide to Organic Gardening in the Desert Southwest (Outdoor and Nature)

Dave Owens sequel to his best-selling book, *Extreme Gardening*, is jam-packed with more of his great gardening ideas that work especially well here in the Desert Southwest. This book is broken down by months, in an easy-to-read, handy organic gardening manual a calendar of what to do and when to do it. It answers such often-asked questions as: How and when do I prepare my lawn for overseeding? When is the best time of year to spread wildflower seeds? What's a houseplant that even the brownest thumb should have? How do I amend my soil organically? What is the magic ingredient that no garden should be without? What is a must to plant along with my roses? and much, much more! Read and follow Dave's guidelines and you'll learn exactly how to create an outdoor atmosphere that will amaze even the most experienced gardeners.
