

Mosin-Nagant M1891/30: The Sniper Rifle of Vassily Zaitsev. 2nd Edition. (WWII - the airsoft perspective)

This new edition contains scores of rare photos, the history of this fascinating rifle and of one of its most famous users, Vassili Zaitsev known from the movie Enemy At The Gates. Also included is a list of the TOP250 snipers in WWII, almost all Russians and many women. Without losing itself in technical data, it gives the reader interested in this excellent rifle, either real steel rifle or air soft replica, everything needed to really appreciate its historical value. The book is easy to read, and divided in two parts: The real rifle, and suggestions on how to make a replica legal even in countries with strict legislations. So, if you're interested in the Mosin-Nagant 91/30 rifle, this book is a great introduction. 68 pages, it is good value.
