

## Needlepoint Cats

From delicate paw to tapering tail, embroider the majestic cat in all its glory. Patterns for more than 24 remarkable projects -- shown in full color -- all use traditional, authentically rendered styles. Frame delightful miniatures of Persian and Himalayan kittens. A sewing box displays a mother and her litter. The wide-eyed Peeping Tom looks as if hes up to some mischief! Other stitching ideas include a Morris-Style Bell Pull, a cat-covered Christmas stocking, silhouette frame, collectors cabinet, and cushions.
