

## Popcorn Crochet Bedspread Designs (Dover needlework series)

The popcorn stitch is made up of a number of stitches worked in the same stitch and joined together. Making a popcorn stitch is quite easy if you have the proper directions on how to do so which this book provides. All you do is make a cluster of double crochet stitches in the same stitch. Rita Weiss is an author, designer and teacher whose name has become a household word in the fields of knitting, crochet, quilting and cross stitch. As founder and head of the Dover Publications needlework division for many years, Rita became known as an expert in thread crochet and quilting. As Executive Vice President of the American School of Needlework she produced publications including knitting, crocheting, quilting, embroidery as well as many other needle arts. She served as president of the International Quilting Association, currently is the chairman of the Craft Yarn Council of Americas Crochet Marketing Committee and is the president of the Crochet Guild of America. The author of more than 50 books in the needle arts, she has taught and lectured both in the United States and in Europe and is often called upon to judge competitions. Rita, who has been married for many years to a man who has never objected to finding yarn in his soup, lives in Escondido California. She is the mother of three daughters, mother-in-law of three magnificent sons and the grandmother of four boys and one delightful little girl.
