

Talkin Union: The American Labor Movement (Perspectives on History)

Labor historian Juliet Mofford presents the story of workers in the U.S. from the late 1700s to the present: the Industrial Revolution, the formation and role of unions, the quest for political reform, and the ongoing efforts for fair and safe labor conditions for migrant workers. Thoughts on labor from Thomas Jefferson, Abraham Lincoln, Samuel Gompers, Eugene Debs, Grover Cleveland, Theodore Roosevelt, Woodrow Wilson, FDR, John L. Lewis, Cesar Chavez, JFK, and others are presented in their own words.
