

Hollow Cast Civilian Toy Figures (Schiffer Book for Collectors)

The new testament of hollow cast civilian figures, this book documents the products of over 75 toy companies (other than Britains) between 1900 and 1966. Organized by themes ranging from Art Work to Zoo figures, with Christmas, farm, garden, and many more. Over 1500 full color photos and examples from Argentina, France, Germany, Japan, the U.S.A., and England. A number of Britains civilian items are included for comparison.
