

## Ouran High School Host Club, Vol. 5

In this sharp-witted romantic comedy about the clash of the classes (of all kinds), a poor girl at a rich kids school ends up working at the schools toniest club-and gets mistaken for a boy!In this high anticipated title, a kind of cross between HANA-KIMI and BOYS OVER FLOWERS, Haruhi is a scholarship student at an exclusive private school: Ouran High School, where it turns out the bespectacled, short-haired Haruhi is the only student from a lower-middle class family in attendance!Then, to make matters worse, one day she breaks an \$80,000 vase that belongs to one of the campus clubs-a mysterious outfit called the Host Club, consisting of six superrich (and gorgeous) guys. Haruhi cant afford to pay back the cost of the vase, of course, so shes forced to work for the Host Club! And its there that she discovers just how rich all the boys are and how different the rich are from you and me...And meanwhile, the eccentric but good-hearted rich boys are shocked to find out how life is on the other side...
