

## Marquetry (Woodworking Class)

Color-illustrated Woodworking Class books inspire readers to build their own beautiful wooden furniture. Detailed easy-to-follow instructions will transform beginners into capable craftsmen and handy home improvement experts. Instruction in this book direct readers through the art of combining woods and veneers to create a variety of elegant designs that add a professional decorative touch to projects that include a rectangular container lid, a mirror frame, a table top, a bookstand, and more.
