Dragonolia is a storybook with a difference. Discover 14 charming tales, where each one is intertwined with an exciting craft project enabling the reader to relive the amazing adventures of Sir Richard Barons, the famous 19th century dragon hunter. Learn how to make an antique-looking Box Frame while reading about the tale of the Mischievous Mink; or perhaps you might like to find out how to easily craft the fabulous Wizards Wand that brought the dying dragon, Angeline, back to life at the last minute; or even make a real-life Dreamcatcher to hang above your bed as you follow Sir Richard Barons into the Brazilian jungle on the trail of the Celestial Dragon Spirit to cure his niece of the horrible nightmares she suffered after she banged her head falling off her horse. The stories, written in an imaginative Victorian style befitting of the great adventurer, fit perfectly round their accompanying craft projects, which being beautifully laid out in simple, easy-to-follow steps, ensure a truly immersive and rewarding experience for the reader and listener alike.
