

## Pearls of Creation, A - Z of Pearls, 2nd Edition

While multiple books, providing detailed information on Pearls and other fine jewels or Gems, have previously been published. None of these have ever provided the information from Abalone - Zooplankton of pearls and in the same depth and detail as Pearls of Creation does. This non-fiction, easy-to-read text-book style format is intended to help you to increase your knowledge of, interest in and love, of Pearls. Dive right in and discover all the latest information available on the Pearl farm industry at your fingertips. This book features up-to-date, verified information, acquired from many sources, including the 6 incredible, world renowned Pearl Farms highlighted in the book.
