

Persuasion Skills Black Book of Job Hunting Techniques: Using NLP and Hypnotic Language Patterns to Get the Job You Deserve

Using NLP and Hypnotic Language Patterns on CVs, Resumes & Interviews to Get the Job You Deserve ... Do you want an unfair advantage when Job Hunting? Would you like to know how to use leading edge NLP, Hypnotic and Psychological Persuasion Tactics to get the job you deserve? The Persuasion Skills Black Book of Job Hunting Techniques is a manual for quickly integrating key skills into your job hunting repertoire. Despite what HR Departments want you to believe, the best person does not always get the job. The people that succeed are those who know how to press the company hot buttons on a CV or Resume and present a hypnotically desirable front in the interview. This book will show you how. When you read this book you will be able to: Restructure your CV or Resumeso hidden NLP Hypnotic techniques draw the reader in, making them desperate to interview you Banish interview nerves and take on a job winning attitude that makes you look like the perfect candidate for the role Take covert control of the entire interview process, allowing you to relax and give a brilliant interview performance Win the hearts and minds of your interviewers within the first two minutes of meeting them Give hypnotically persuasive answers to any question and leave the interviewer in no doubt that you are the perfect candidate But this book is not for everyone. It is only for people who know the job they want, are prepared to do what it takes to get it and who will grasp the tools and techniques that will give them an unfair advantage on their next job hunting mission. How liberated will you feel when you have the skills to get any job you want and then to change it whenever you decide that there is something better to go for?
