

Dragons 2 How to with Pipe Cleaners Step by Step

Great fun with pipe cleaners. Fun for the whole family and great for dioramas. Introduction to pipe cleaner art in a fun and exciting step by step full color pictures for each step of the directions. Great way to spend time with kids exploring art, imagination, crafts, and design. Can be used in teaching methods in schools and classrooms to help in projects. Once completed the art can be used for science projects or as displays. Also great for little token gifts or as a topper for a present or card.
