

# Plunketts Companion to the Almanac of American Employers 2014 (Plunketts Industry Almanacs)

Plunketts Companion to the Almanac of American Employers is the perfect complement to the highly-regarded main volume of The Almanac of American Employers. This mid-size firms companion book covers employers of all types from 100 to 2,500 employees in size (while the main volume covers companies of 2,500 or more employees). No other source provides this books easy-to-understand comparisons of growth, corporate culture, salaries, benefits, pension plans and profit sharing at mid-size corporations. The book contains profiles of highly successful companies that are of vital importance to job-seekers of all types.

You'll see the financial record of each firm, along with the impact of earnings, sales and growth plans on each companys potential to provide a lucrative and lasting employment opportunity. Tens of thousands of pieces of information have been researched for each corporation and are presented in a format that can be easily understood by job seekers. Includes employer research tips, employment trends and job market statistics. Purchasers will find a form in the book enabling them to register for 1-year, 1-seat online access to tools at Plunkett Research Online, including the ability to view the market research/industry trends section and industry statistics. You have access, at no additional charge, to the very latest data posted to Plunkett Research Online. Online tools enable you to search and view selected companies, and then export selected company contact data, including executive names. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package.
