

Pretty Prudent Home: Your Ultimate Guide to Creating a Beautiful Family Home

Pretty Prudent Home is part design book, part DIY guidebook, with beautiful photography inviting readers to tackle projects both simple and sophisticated. With images from the authors homes, as well as those of trendsetters around the world, fans are given an in-depth look into the lives and design sensibilities of a wide spectrum of stylish, aspirational, yet down-to-earth families. With modern projects that include repainting thrift store finds, repurposing vintage heirlooms, creating quick window treatments, sewing your first hand-me-down quilt, and even tips on the easiest ways to throw a last-minute party or host a bake sale, Pretty Prudent Home offers practical projects and a large dose of Boneau and Curtiss trademark banter and whimsy to help you create a truly inspired yet livable home.
