

Job Notes: Interviews (Princeton Review Job Notes)

Ah, the dreaded interview...it can be intimidating. Of course, that also depends on how you look at it. Check out Job Notes: Interviews, written by career counseling specialist Marci I. Taub, to learn the straight facts on talking your way into a job. In this convenient, portable little book, find out what to wear, what to bring, what to say (and not say), questions you should ask--and questions you should anticipate answering. It will also show you how to steer the interview your way--after all, your agenda is just as important as your prospective employers.
