

Putting Out the Fire: Your Unique Role in Bringing Jews Closer to Torah

Decades ago, the Chafetz Chaim gave us a mission: to bring our brothers and sisters back to Torah. Today, with the fires of assimilation and intermarriage burning out of control, every Jew must heed his call. We must all put out the fire. This practical, down-to-earth, and inspiring guide shows how all of us - laypersons, kollel students, homemakers, professionals, business people - can do our part in reaching out to secular Jews, making a difference in their lives, and bringing them back where they belong. The Chafetz Chaims call to action almost a century ago is our rallying cry today: There is a fire raging that is destroying Klal Yisrael. We have to put it out!
