

Black Lace and Pearls

Stacey Kiroff is hardly a vamp. But when she graces the cover of High Rise magazine, clad in a black slip and pearls, her banking colleagues are scandalized. Now, determined to project a strictly professional image, she starts over as consultant to a family-owned fuel company - until her boss devilishly attractive, perversely appealing twin brother reveals his knowledge of her past. A notorious playboy, Jett Stewart threatens Stacey with blackmail, angers her with innuendo... and seductively coaxes forth the passionate woman in her. Too late, she realizes she may be an unwitting pawn in a complex rivalry between the Stewart brothers... The heart doesn't count the years - or the tears. And if romance is grand the first time, there is nothing more precious than your Second Chance at Love
