

## Radio Amateur Callbook 2000: More Than 1,550,000 Licensed Radio-Amateurs! : Includes International and North American Listings

With over 1.5 million listings, this millennium edition is the most extensive directory of its kind, offering unmatched access to radio amateurs worldwide-plus a unique new edit function that allows users to modify entries, keeping their CDs current at all times. Listings cover more than 250 countries, islands, and dependencies, including many not found in other directories. Other features are a label printing routine that utilizes the most popular Avery format; Amateur Radio Prefix Maps and updates; and a Windows Help file that has never been easier to access-just a click of one button prints the entire file.
