

Bookmans Price Index: A Guide to the Values of Rare and Other Out of Print Books (Bookmans Price Index) Volume 78

Established in 1964, Bookmans Price Index is an index to rare and antiquarian books offered for sale in the catalogs of 100-200 book dealers in the U.S., Canada, and the British Isles. The number of titles listed in each volume is approximately 15,000; in the course of a year some 50-60,000 books are described. Volumes do not supersede previous volumes. Each volume covers catalogs from the previous 4 to 6 months. Entries Include: Title and author, edition, year published, physical description (size, binding, illustrations); detailed description of the books condition including flaws, amount of wear, comment on scarcity; price as listed in catalog; catalog source and number. Included are three appendixes: Association Copies: Listing books by significant people who have owned them Fine Bindings: Listing books that have had special bindings applied, arranged by the name of the binder Fore-Edge Paintings: Listing books that have had scenes painted on the edge of the book, listed by the name of the artist
