

Redeeming Relevance in the Book of Numbers: Explorations in Text and Meaning

Continuing Rabbi Francis Nataf's innovative analysis of the Bible's five books, this volume focuses on some of the texts most perplexing stories in the Book of Numbers. It weaves them into discussions about the individual and the community, religious leadership and its abuse, and about communication and disappointment. Taking a new look at Judaism's most basic text, Rabbi Nataf reads the Bible in ways that make it more accessible and more exciting to study. The clarity of the insights in Redeeming Relevance in the Book of Numbers reveals new patterns in the biblical text.
