

Simple Expression Quilts

Take a simple patchwork quilt and adorn it with a single word to express yourself or to send a message to the recipient. Author Fran Morgan chose these words for the 12 different quilt projects-Believe, Faith, Grace, Hope, Inspire, Joy, Kindness, Love, Patience, Peace, Rejoice, and Truth. You can also create your own word from the alphabet provided. Or choose to create just the easy-to-make patchwork quilts and use only the dozen applique patterns of vines, flowers, and leaves for adornment.
