

Ronsons Art Metal Works (Schiffer Military History)

Ronsons place as a leader and pioneer in the manufacture of fine decorative metal wares from the 1900s to the mid-1930s is documented here. In addition to cigarette lighters, for which Ronson is most readily known, the company, then known as Art Metal Works, also produced a diverse selection of metal bookends, hood ornaments, statuary, aquarium and plant stands, clocks, pipe holders, desk sets and accessories, figurines, novelty items, lamps, boxes, toys, incense burners, and much more. With descriptive captions and information from original company catalogs and advertisements, alongside full-color, detailed photographs, this book is like no other on the market today. Whether you are a collector of art metal or a student of art and design, you are guaranteed insight into the style, beauty, and value of some of the finest metal wares manufactured.
