

# Sabine Lipperts Beaded Fantasies: 30 Romantic Jewelry Projects (Beadweaving Master Class Series)

The best-selling Beadweaving Master Class series welcomes German beader Sabine Lippert, Europe's top beadwork designer, in a trend-setting book that showcases 30 beautiful and wearable project designs. Lippert combines seed beads, crystals, and glass pearls to create gorgeous, innovative beading projects. All feature her trademark tiers of beads that are layered into gorgeous jewelry. Every piece uses the most popular and beloved stitches in beading: right angle weave and peyote. Most of the bracelets, necklaces, earrings, pendants, and chokers here are new, but Sabine has also included a few of her favorite classics. An inspirational photo gallery of beadwork from leading designers, including Sabine, rounds out this must-have book.
