Learn how to: Communicate successfully with your customers, friends and peers Evaluate employers and managers Provide professional customer interface Create effective presentations Understand the competition Easily adjust your sales performance Successful lead generation Grow personally and professionally The Full-Cycle Minute - A Construct in Peak Sales Performance delivers two personal development models, The Full-Cycle Minute Model and the Personal Foundation Model. These models deliver a practiced processes that will enrich your life, strengthen your inner self, redefine personal relationships, and increase your selling and sales performance and success while giving you a confidence and peace of mind. Does your profession performance, relationships and sales goals suffer because your reaction or response depends on the situation? Are you tired of trying to fit in by compromising? Have you ever wondered how your character, integrity, ethics, attitude, behavior and personal belief system impacts your life and your selling efforts on a daily basis? Perhaps you have suffered from personal compromise, self-deception, bad habits, bad decisions and poor choices that may have buried your authentic self so deep you may not recognize yourself. Asking; Where did I go? How did I get here? How can I get back to the person I was once, my

authentic self? In any of these cases a helpful, sometimes painful, yet very powerful self-evaluation is in order to reconnect to your authentic self. To do that you need to take the first step with complete honesty and honestly look at your character as reflected by your behavior. This honesty can open your mind to endless possibilities, open your heart to compassion and open your emotions to joy and happiness. Your honesty allows you to move forward toward your authentic self. An honorable character is the backbone of your true nature, thinking and emotions that directly affects your behavior, attitude and performance. Until now there has been no demonstrated, repeatable process to help develop your character, re-visit your belief system or calibrated new information to help develop your true nature. Today there is The Full-Cycle Minute - A Construct in Peak Sales Performance. Peak sales performance requires accomplished disciplines across many diverse professional practices and personal beliefs based in character as well as a knowledge base. The combination and melding of these disciplines are challenged daily and in many cases nothing is more challenging than the development of character which guides all of our spiritual and human encounters. A healthy character is the underlying foundation effecting a successful selling environment. This sales environment is competitive, aggressive and even cutthroat; presenting you a situational challenge that may bring into contention your current character beliefs that may not serve your authentic self.
