5625 Fast Scrapbooking with 4x6 Photos

Want to speed up your scrapbooking process and get caught up with your always-growing stack of photos? This ingenious book from the editors of Creating Keepsakes scrapbook magazine can help! It includes hundreds of easy ideas for using your 4 x 6 photos straight from the printer, with little or no time-consuming cropping or re-sizing. Now you can spend less time fussing with your photos and more time completing layouts. The book is organized by the number of photos on each layout, which helps you quickly identify the layouts that will be most helpful to you. It also includes inspiring ideas for using 4 x 6 photos to create mini albums, photo gifts for the family, and home decor items.
