

Scrapbooking Digitally: The Ultimate Guide to Saving Your Memories Digitally

Forget about traditional scrapbooking! Throw out the scissors and glue and save your memories in a whole new way. Scrapbooking Digitally is a complete reference book for people of all ages. A step-by-step guide, Scrapbooking Digitally takes readers through every step of the scrapbooking process--from picking the right camera to working with software to learning creative tools, like altering images, typefaces, and backgrounds. It even offers inspirational sample pages and tips on how to go beyond paper to create one-of-a-kind clothing, jewelry, and home decorations. Complete with a CD of downloadable paper patterns and ornaments to help replicate what's on the page, this book is just what the savvy scrapbooker interested in going digital is looking for.
