

Sherlock Bones Vol. 1

DEDUCTIVE DOG DETECTIVE When Takeru adopts his new pet, hes in for a surprise-the dog is none other than the reincarnation of Sherlock Holmes, the famous detective. Whats more, this Sherdog has decided that Takeru is the reincarnation of his long-time assistant, Dr. Watson. Takeru may think Sherdog (or he himself) is crazy, but with no one else able to communicate with Holmes, hes roped into becoming the canines assistant all the same. Using his exceptional sleuthing skills, Holmes uncovers clues to solve the trickiest crimes.
