

Shockwaves: The Global Impact of Sexual Harassment

Shockwaves addresses today's most important questions about sexual harassment and is for everyone who needs to know what's going on with the problem of sexual harassment today in the U.S. and other countries of the world. It analyzes sexual harassment issues with depth and breadth that only years of experience working in the field can provide. This is a solid, practical, but careful look at the problem. Shockwaves examines sexual harassment in every kind of workplace and in scores of countries.
