

Gale Nurseries: Four Generations of Garden Excellence

Showcasing a compilation of the most exquisite and colorful gardening designs of the past four decades, this sumptuously illustrated collection celebrates the history and development of one of Americas most influential and renowned horticultural pioneers. Garnering numerous awards and recognitions for their ground-breaking work including honors from the American Society of Landscape Architects, the Royal Horticultural Society, the Pennsylvania Landscape and Nursery Association, and the Philadelphia Flower Show this beautiful archive relates the stories of each gardens creation, with client interviews and details from noted architects and designers. Opulent photography and concise cultivation insight brings each amazing garden to life and demonstrates the breadth of style, innovation, creativity, and execution by one of the countrys most highly regarded gardening families.
