

Shut Up, Stop Whining, and Get a Life: A Kick-Butt Approach to a Better Life

Shut Up, Stop Whining, and Get a Life is a Wall Street Journal number-one best seller that isn't afraid to tell you it's time to change. From motivational speaker Larry Winget, also known as The Pit-bull of Personal Development and The World's Only Irritational Speaker, comes a not-so-typical self-help book. Winget's hilarious and in-your-face observations about the sometimes ugly truth of life will kick you in the butt and encourage you to change your life for the better.
