

ShutterBox, Book One: Orientation, Damien, Adrien and the Running of the Hyperpans

When Megan Amano dreams, she travels to a place called Meridian University. Traditionally, spirits travel to the University to be educated before they are reborn into the world of the living. However, Megan is still alive and attends college in Santa Monica, California by day and Meridian University at night. One night, Megan peers through the shutter of her camera lens and discovers a mystery so deep that she begins to question her own existence and begins her search for answers.
