

WHY YOU ARE NOT RICH YET: What The Rich Knows That The Poor Doesnt

Mr. John had a very successful career as a medical doctor. He lived what an average person would call a successful life. He had a high paying job, 2 nice cars and a beautiful rented apartment. Mr. John looked rich but still he DIED POOR! Why? Was it that his job was not as high paying as we thought? or was it because he neglected the 7 NEW RULES and followed the same old rule that has rendered 80% of the world Poor? You will find the answers inside this book. I think people deserve to know that the old rule is no longer favorable. They deserve to know that there are 7 NEW RULES which only the rich knows and which they use to acquire more wealth. This book is about those 7 NEW RULES. I promise you that after reading this book, you will finally understand why you work so hard for money every single day of your life but still you are not rich. Please kindly leave a honest review after reading this book. And please note that fake or flattering reviews will be deleted. Thanks
