

3 Quilters Celebrate the 4 Seasons

Journey through the calendar year with three top quilt designers and teachers. These special friends have designed a quilt pattern for every month and combined their diverse styles to create unique and exciting new designs. They also share fabric selection ideas, how-to sections on Stack-n-Whack and Appli-bond, and techniques and tips to use all year round. Joan Shays designs feature her easy and popular three-dimensional Appli-bond method for creating flowers, birds, and fish. Bethany Reynolds presents several fun, new Stack-n-Whack designs -- a method that has taken the quilt world by storm. Karen Combs adds her special insight with quilts of illusion that delight the senses. From enchanting applique to dazzling patchwork, the great variety of projects offered will bring quilting excitement throughout the year.
