

Microeconomics (SparkCharts)

SparkCharts™ created by Harvard students for students everywhere serve as study companions and reference tools that cover a wide range of college and graduate school subjects, including Business, Computer Programming, Medicine, Law, Foreign Language, Humanities, and Science. Titles like How to Study, Microsoft Word for Windows, Microsoft Powerpoint for Windows, and HTML give you what it takes to find success in school and beyond. Outlines and summaries cover key points, while diagrams and tables make difficult concepts easier to digest. This four-page chart covers: Definition of economics, Supply, demand, and market equilibrium, Consumer behavior, Elasticity, Firm behavior, competition, and cost curves, Labor market, Public welfare, Market inefficiency, Imperfect competition.
