

## How to Spin: Just about Anything

how to spin: just about anything is a wide-ranging introduction to an ancient craft which has very contemporary applications. It tells you all you need to know about the available tools, from hand spindles to spinning wheels, what to do to start spinning, with illustrated, step-by-step instructions, and a comprehensive guide to the many fibres you can use to make beautiful yarns. Janet Renouf-Miller is a registered teacher with the Association of Weavers, Spinners and Dyers, and has taught at their renowned Summer School. She has also taught courses for many spinning and weaving Guilds, knitting groups, shops and voluntary organisations.
