

Supercool Paper Airplanes Kit: 12 Pop-Out Paper Airplanes; Assembled in About a Minute

This supercool paper airplanes kit contains the best planes you have ever seen! These 12 paper planes are easy to build; you simply pop-out the paper parts, fold where indicated, and staple them. Then the fun begins! The powerful rubber band catapult in the kit launches the planes straight up in the air, above the treetops from where they glide gracefully back down to earth. Awesome paper planes include: The sci-fi inspired Thunder Bird is a technological marvel and an incredibly easy plane to assemble! The colorful Dragonfly has a unique 4-wing structure highly unusual for a paper airplane! The high-tech SpaceShipTwo has a fuselage just like the real-life Virgin Galactic rocket ship. Unlike other origami airplanes, these are ready to go in under a minute, with no messy glue or tape required! A full-color instruction book provides clear information about each model and tips on how to fine-tune the planes to get better performance. Supercool Paper Airplanes Kits ingenious designs made with special paper and designed for perfect weight distribution and long-lasting flights are perfect for kids and adults alike. Head right outdoors with this collection and have many hours of high-flying fun!
